Company Profile

Zhejiang Kuhui Technology Co., Ltd was established in 2015. a professional toy manufacturer with more than 10 years experiences. It enjoys a good production environment and convenient traffic conditions (just 200kms away from Ningboport). Our company has about more than 200 professionally trained workers, professional R&D team, well-equipped production workshop and good services team.

Our company has a strict quality control system to ensure the high-quality, innovative and productive products. We have fully automated assembly line, fully automated robot injection molding table, fully automated ultrasonic welding process. Our company is an integrated company which engaged in design, sales, and specialized in production of educational toys and baby products. (such as: Magnetic toys, Baby Rocking Chair, Baby Diaper Changing Table etc) We use the safety Food-grade and Non-toxic ABS to ensure product quality and safety. Our products have passed EN71, BSCI, CE, ASTM, CPC, CPSC, CCC, CQC certificates, and have been exported to 40 more countries.

baby electric rocking chair

Material:

Size:

500x670x630mm

Weight: 4KG

Load:18KG

Function:

electric, remote control,
foldable,bluetooth music

baby diaper changing table

Material:

Oxford cloth, steel tube,PP

Color:

Green, Gray

Size: 622x827x927mm

Weight: 4KG

Load:18KG

Function:

foldable and easy storage

baby carrier

Material:

polyester fiber, cotton

Color:

Green, Gray, Blue ,pink

Single package size:

260x140x40mm

Weight: 0.2KG

Features:

adjustable length and foldable

Multi-purpose sterilizer milk bottle warmer

Material:

Silicone ,PP plastic,
high borosilicate glass,
stainless steel

Color:

White, Green, Pink

Size: 260x205x310mm

Weight: 2.24KG

Capacity: 1.3L

Function:

stewing,
temperature control,
timing, fan cooling,

Multi-purpose sterilizer milk bottle warmer

Material:

Silicone ,PP plastic,
high borosilicate glass,
stainless steel

Color:

White, Green, Pink

Size: 240x250x340mm

Weight: 3.45KG

Capacity: 1.3L

Function:

stewing,
temperature control,
timing, fan cooling,
steam sterilization and disinfection,
steamer, warm air drying

Item No.: Magnetic tiles 60pcs

Material: Food Grade Non-toxic ABS, strong magnets

Color: NA / colorful

Size: 26x24.8x5.3cm

Weight: 1.6kgs

Certificate: EN71/ASTM/CPSC/CCC

Function: 1.encourages teamwork

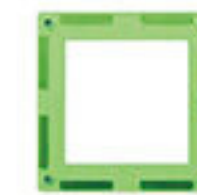

2.enhances math, geometry and science skills

3.Improves imagination and creativity

4.Improves hand-eye coordination and motor skills
